

Summerhill Online Academy

This 4 to 8-week program provides students with 40-80 hours of CELPIP preparation for the Speaking, Writing, Reading and Listening portions of the exam. This program is divided into two 40-hour modules that can be taken interchangeably or as stand-alone modules depending on the students' needs and long-term outcomes.

Jointly developed by Paragon Testing Enterprises and Summerhill Online Academy, this program is taught only **by CELPIP Certified instructors** and utilizes authentic Paragon preparation materials. This program is designed as a standalone course or as part of a supplementary private lesson and consultation program. **Free consultations with CELPIP experts** are always available. You can register your free consultation by visiting our website or by clicking the link to our website's program inquiry form below.
